Chapter 1

Introduction

This document is a compilation of information I have come across that may help in planning and packing my trip to Korea. This is from flying in to flying out.

Chapter 2

Packing

I think I can just bring my 32L duffel bag and 26L backpack and just hand wash my clothes.

Note: Maurico Moves (YouTube) states that Merino Wool doesn't smell for weeks, dries fast, and very wrinkle resistant. He recommends UNBOUND Merino and WESTERN RISE. Looking those up; and they are super expensive in my opinion.

Clothing

1. 6 set of underwear
2. 6 set of socks

Hygiene

Technology

Support

Flying

Chapter 3

Phone Plane

Need to figure out if I need some sort of SIM or MiFi equipment for using data.

eSIM

Only country-unlocked phones that support eSIM can be used.
